Application for Registration of New Pesticide Products in Massachusetts

A. General Instructions for Completing the Form

Before submitting this form be sure that all the information requested be clearly listed in the space provided. **Failure to properly and fully complete this form will result in the return of all registration material.** This application may be copied as needed.

B. Submission Instructions

Submit: Two (2) individually stapled packets, each including the following:

1. Completed Massachusetts Application for New Product Registration.
2. Final EPA approved product Label, which appears on the product.
3. Material Safety Data Sheet (MSDS) for the new product.

Plus: One additional loose copy of the completed Massachusetts Application for New Product Registration.

C. Pesticide Product Registration Fee

The fee for a new product registration is \$300 per each different EPA registration number. The fee for a product containing a NEW active ingredient not previously registered in Massachusetts is \$500. If you are unsure of the registration of an active ingredient, please contact Pesticide Product Registration. Checks should be made payable to the Commonwealth of Massachusetts and sent to the following address:

Massachusetts Department of Food and Agriculture
Pesticide Bureau – Product Registration
251 Causeway Street ; Suite 500
Boston, MA 02114-2151

NOTE: The addition of a *distributor number* constitutes a different EPA Registration Number.

D. Pesticide Product Registration

Pesticide product registration in Massachusetts is the responsibility of the Pesticide Board Subcommittee. All applications for registration will be processed as expeditiously as possible. Where practicable the Subcommittee shall approve and classify, or deny an application for registration within 90 days of receipt.

After the review and approval of an application, a certification of registration will be sent to the registrant. A registrant will receive written notification in the event that the Pesticide Board Subcommittee has amended or denied an application for registration.

The initial registration of a pesticide product shall be valid for a period beginning with the actual date of approval and ending on the next June 30th, unless it has been modified, suspended or revoked prior thereto. Thereafter, the registration year will extend from July 1 to June 30th of the subsequent year.

If you have any other questions, please feel free to contact Susie Reed (Pesticide Registration Specialist) at 617-626-1778 or the Lee Corte-Real (Pesticide Operations Coordinator) at 617-626-1776.
